

Your Professional Development Just Got Easier!

Teachers Choose Nellie Edge Online Seminars (preK-1)

For over three decades, Nellie Edge Seminars have inspired kindergarten teachers from across the U.S. and internationally with joyful accelerated literacy strategies grounded in evidence-based research and rich in the educational arts.

These proven literacy practices increase student achievement, engagement, and joy!

Kindergarten teachers and literacy leaders trust Nellie Edge to always bring them high-impact strategies consistent with how the young child's brain learns best: we have great expectations for student outcomes, we make learning visible, **we teach with passion**, and we **celebrate learning** accomplishments! It is with excitement and anticipation that we bring teachers these engaging strategies that teachers love, children love, and parents love!

All of the best things I do come from Nellie Edge Seminars.

You asked for Online Seminars: We listened!

Now for the first time, those of you who were not able to join us for live seminars will be able to enjoy unlimited, on-demand access to Nellie Edge Online Seminars from the comfort and convenience of your home or school. No travel time required.

Who should attend? These Nellie Edge Online Seminars are appropriate for those new to our professional development and those who have been using Nellie Edge Joyful Accelerated Literacy Strategies and Resources for years:

- kindergarten teachers and all preK-1 educators
- teachers of English language learners
- reading teachers and literacy coaches
- special education teachers and speech and language specialists
- child development and early literacy instructors

Each 40-60 minute online seminar includes detailed photo essays from actual classrooms and features the same quality, high-energy presentation as a live Nellie Edge seminar, only divided into **single strategies with short bursts of practical, targeted content** that you can study, review, and easily implement in your classroom. These online seminars will provide review for teachers already using the 10 High-Impact Strategies detailed in our latest book and seminar, *Kindergarten Writing and the Common Core: Joyful Pathways to Accelerated Literacy*, and our earlier professional development work featuring celebrations of language!

Nellie Edge Online Seminars offers you learning options anytime, around the clock. Download the comprehensive Online Seminar Power Guide eBook and resources that show:

- high-impact, active teaching and learning
- strategies that differentiate instruction and honor childhood

- Parents as Partners to multiply our teaching effectiveness
